Safari Blue is a popular boat tour and excursion in Zanzibar, offering a day of adventure and exploration around the island's beautiful waters. Here's a summary of what you can expect from Safari Blue:

Boat Tour: The tour typically starts with a boat ride on a traditional dhow, a wooden sailing vessel, to explore the pristine waters around Zanzibar.

Snorkeling: Participants can snorkel in vibrant coral reefs, where they may see a variety of marine life, including colorful fish and Star fish.

Island Stops: The tour often includes visits to picturesque sandbanks or small islands, where you can relax on the beach, swim, or enjoy a picnic.

Lunch: A highlight of the tour is a delicious seafood lunch served on one of the islands, often featuring freshly grilled fish, seafood, and tropical fruits.

Natural Beauty: The excursion provides breathtaking views of Zanzibar's coastline and clear blue waters, making it a great opportunity for photography and relaxation.

Safari Blue is celebrated for its combination of adventure, relaxation, and the opportunity to experience the natural beauty of Zanzibar.

Jozani Forest 30\$ Per Person

Jozani Forest is a protected national park on Zanzibar, renowned for its rich biodiversity and lush vegetation. Here's a summary of what you can expect:

Forest Ecosystem: Jozani Forest is a tropical rainforest, home to a variety of plant species, including indigenous trees and medicinal plants.

Wildlife: The park is famous for its population of **red colobus monkeys**, which are endemic to Zanzibar and considered a highlight of the forest. Visitors might also see other wildlife like the blue monkeys, bushbabies, and various bird species.

Guided Tours: Tours of the forest are typically led by knowledgeable guides who provide insights into the flora, fauna, and conservation efforts.

Walking Trails: Visitors can explore the forest through well-marked walking trails, including a canopy walkway that offers elevated views of the forest canopy.

Conservation Efforts: Jozani Forest is involved in conservation projects aimed at preserving its unique ecosystems and wildlife.

The Jozani Forest experience offers a chance to explore Zanzibar's natural beauty and wildlife in a serene and educational setting.

Turtles Aquarium 15\$ Per Person

Zanzibar Tours - Fair Price at
+255785 777 404 | www.quickbookingzanzibar.com
Email: quick_booking@outlook.com

Turtle Sanctuary: The aquarium is dedicated to the protection and rehabilitation of sea turtles. It serves as a sanctuary for injured or orphaned turtles, helping to care for and eventually release them back into the wild.

Visitor Experience: Visitors can learn about various species of sea turtles, including their life cycles, behaviors, and conservation challenges. The facility often provides educational talks and displays about the importance of turtle conservation.

Interactive Opportunities: Guests may have the chance to get up close with the turtles, feed them, and observe them in a controlled environment. This interaction helps raise awareness and fosters a deeper connection with marine conservation.

Conservation Efforts: The aquarium plays a role in broader conservation initiatives, including research and public education, to support the protection of sea turtles in the Indian Ocean.

Scenic Location: Located near Nungwi, the aquarium is set in a beautiful coastal area, making it a pleasant stop on the way to or from other nearby attractions.

Visiting the Zanzibar Turtle Aquarium offers an opportunity to engage with sea turtle conservation efforts and gain insight into the challenges faced by these marine creatures.

CAVES 20\$ Per Person

Zanzibar is home to several notable caves, each with its own unique characteristics and historical significance. While the exact number can vary depending on definitions and exploration, here are some of the more well-known caves on the island:

Kiwengwa Caves: Located near Kiwengwa village, these caves feature freshwater pools and are popular for swimming.

Kangwe Caves: Situated in the southern part of Zanzibar, these caves also have natural pools and are known for their serene environment.

Mangapwani Cave: Located near Mangapwani, this cave is notable for its historical context as a former slave holding cell, and it features a brackish water pool.

Salaam Cave: Found near Chwaka on the east coast, this cave includes a natural freshwater pool and is known for its scenic surroundings.

Mwana Cave: Situated near the village of Mwana, this cave is less frequented but offers a similar natural cave experience.

Maalum Cave is a notable cave located in Zanzibar, specifically near the village of **Maalum** on the island's northern coast. Here's a summary of what you can expect from Maalum Cave:

Jet ski 50\$ 15 Minutes

Jet skiing in Zanzibar is an exhilarating water sport activity that allows you to explore the island's beautiful coastline and clear blue waters at high speed. Here's a summary of what you can expect:

Jet skiing provides a thrilling way to enjoy Zanzibar's stunning coastline, including pristine beaches, coral reefs, and picturesque islands.

Before setting off, you'll receive a briefing on how to operate the jet ski safely. Most operators prioritize safety and provide instructions to ensure a safe and enjoyable experience.

QUAD BIKE 130\$ Per Quad upto two pax shared

Quad biking in Zanzibar offers an adventurous way to explore the island's diverse landscapes, from sandy beaches to lush forests. Here's a summary of what you can expect:

Quad biking allows you to enjoy panoramic views of Zanzibar's coastline, rural landscapes, and local villages. It's an excellent way to experience the island's natural beauty and rural charm.

Many quad biking experiences are guided, allowing you to explore safely with the support of an experienced guide who can also offer insights into the local environment and culture.

Transparent Kayaking \$20 Per Pax

Transparent kayaking involves paddling a clear kayak, which allows you to see beneath the water's surface. It provides a fantastic view of the marine environment without getting wet.

The clear kayak offers unobstructed views of the underwater world, including colorful coral reefs, fish, and other marine creatures. It's a great way to observe marine life without disturbing the ecosystem.

The Rock Restaurant Transfer 55\$ from Nungwi and 45\$ From Town

The Rock Restaurant is a renowned dining destination located off the coast of Zanzibar, on a small rocky outcrop near the village of **Michamvi**. The restaurant is situated on a rock in the Indian Ocean, accessible by boat or on foot during low tide. Its location provides stunning panoramic views of the surrounding sea.

The Rock Restaurant is famous for its seafood offerings. The menu features a variety of fresh seafood dishes, including local fish, octopus, and prawns, often prepared with a mix of Swahili and international flavors.

The restaurant has a relaxed and romantic atmosphere, with indoor and outdoor seating options that allow guests to enjoy the sea breeze and views.

It's advisable to make a reservation in advance, especially during peak tourist seasons, to secure a table and ensure a smooth dining experience.

SAFARI 400\$ Day

A DAY MIKUMI SAFARI FROM HOTEL AND RETURN

A day safari to Mikumi National Park in Tanzania can be an exhilarating experience. Here's what you can generally expect:

Early Departure: You'll likely start your day early, around 5:00 AM or 6:00 AM, to maximize your time in the park. Most safari operators provide transport from your accommodation to Mikumi.

Arrival and Park Entry: Upon arrival at Mikumi, you'll go through the park's entrance procedures and possibly a brief briefing on park rules and safety.

Safari Experience:

Game Drive: The primary activity will be a game drive, where you'll explore the park in a 4x4 vehicle. Mikumi is known for its diverse wildlife, including elephants, lions, giraffes, zebras, and antelopes.

Wildlife Viewing: The park's landscape features a mix of grasslands, miombo woodlands, and wetlands, providing habitats for various species. Your guide will help spot wildlife and share information about the animals and their behavior.

Lunch: Typically, you'll have a picnic lunch in the park, often at designated picnic spots. This is a great opportunity to enjoy a meal surrounded by nature.

Continued Game Drive: After lunch, you'll continue with your safari, exploring different areas of the park to see more wildlife and enjoy different scenery.

Departure: You'll start heading back to your base or accommodation in the late afternoon or early evening, around 4:00 PM or 5:00 PM, depending on the park's closing time and your schedule.
